

# Massage Certification Program

With over 35 years of clinical and academic experience under its hands, the Idaho School of Massage Therapy (ISMT) offers a non-accredited Massage program with both a holistic and medical emphasis. We recognize a need and growing market for knowledgeable, skillful graduates who also possess the “trifecta” of attributes for success in massage therapy: professionalism, a business plan and communication skills. We offer students day and evening classes and a Massage Program that exceeds Idaho’s massage Licensing requirements. (See [www.ibol.idaho.gov](http://www.ibol.idaho.gov) for details.) Be advised that Massage Licensing requirements vary by state.

On September 1, 2016, two businesses join as one in Meridian: ISMT and Three Oaks Academy and Integrative Therapy clinic merged campus and clinic. Located next to Idaho Physical Medicine and Rehabilitation, close to the Eagle exit, ISMT’s comprehensive curriculum continues to be an ideal balance of clinical and wellness applications from relaxation to rehabilitation. Our massage program is registered with the Idaho State Board of Education, and taught by experienced, qualified faculty who focus on the skills and competencies necessary for the safe and effective delivery of therapeutic massage and bodywork. The Western coursework builds upon the fundamentals of Swedish techniques, and clinical massage therapy skills with a solid base of sciences while the Eastern coursework (Asian and Reflexology) holistically provide the energetic aspect. The allied modalities of Craniosacral, Lymphatic facilitation, Visceral and Geriatric massage emphasize effective, yet gentle, complementary therapies for both wellness and treatment models.

## 2017-18 Tuition, Cancellation and Attendance Policy

### Tuition Payments and Refunds:

ISMT does not accept any Federal student aid monies. We accept tuition payments on a pay-as-you-go or class-by-class basis. Alternatively, State funds may be available through Job Service or Vocational Rehabilitation and military personnel or their spouses may qualify for funding through the Veteran's Administration, GI benefits; check on your eligibility.

**Tuition fees are not paid up front** or in advance of classes therefore refunds do not apply. Tuition fees do not include books and/or supplies. Student obtains these separately.

### Class tuition payments on a "pay as you go" or class-by class basis, as follows:

- **1/2 and 1/2:** 50% of *tuition is due at the 1/2 and end point* of each class.
- See Day or Evening Class Schedule, "Class Payments" for details.

A student that follows the schedule of classes and payments will complete the program with no outstanding debt to the school.

### Cancellation, Withdrawal, or Dropped classes:

A student may "drop" or "withdraw" from a class in writing *before the 1/2 point of class transpires; thus voiding the class, and incurring no tuition.* Withdrawal from a class beyond this point (50% or greater) will incur tuition fees though zero credit hours accrue and is effective on the date and time of receipt of written or emailed official notification, not the date of last class attendance.

- Withdrawals/drops at 0%-49 % of a class: No tuition is owed.
- Withdrawals/drops at 50% - 59% of a class: Tuition is owed for class transpiring up to receipt of written drop notice, calculated at \$15.81/class-hour.
- Withdrawals/drops at 60% - 89% of a class: Tuition is owed, at \$20/class-hour.

Supply costs are non-refundable. Consider this official notice that certifications and transcripts can and will be held back if tuition and/or fees are owed the school.

**TOTAL Tuition PAYMENTS:** for classes comprising the 635-hr. Massage Program Certification:  
**All tuition PAYMENTS total \$ 8,300**

- Application/Registration** Fee is [\\$ 100, non-refundable](#), and not included in tuition. Each student shall obtain and show proof of Student insurance (through massage trade associations: AMTA, AMBP, or equivalent at their own expense.) See Admission Requirements. Students obtain their own books and supplies. [Books/supplies are not included in the tuition.](#)
- Attendance:** Students shall not miss more than 10% of class. Makeup time is available when 60% or more class attended, with your instructor, by appointment. 1 hour of Makeup = 3 hours of classroom time and is available at a cost of \$25/hr. 70% or higher minimum competency for class credit, given upon completion when applicable tuition and/or fees are paid in full.
- "Work-off" a portion of your tuition** doing supervised Student Clinic massage beyond 110 hr requirement. Requires a temporary license through IBOL, some restrictions apply.
- Transfer Credit may be available** for classes "substantially equivalent." Course transcripts and syllabus required. Business I/Ethics and Student Clinic are non-transferrable. We cannot guarantee transfer of credit to any other schools. Inquire about course "Challenge": a fee of \$25/course applies. Courses may be taken individually with **completion of the admission process in its entirety.** See Admission Requirements and schedule your admission interview today! **Contact ISMT: (208) 342-3430; [ismtclinic@gmail.com](mailto:ismtclinic@gmail.com) or (208) 343-1847 Interviews/tours by appointment only.**

Trimester A is the recommended starting point for the massage program. Trimester A classes are only offered September to December each year. *Massage is a very physical career.* Be advised that increasing core strength is recommended outside of and in addition to this course of study. These foundational classes emphasize *medical terminology and body sciences; massage history, effects, benefits, guidelines and techniques of Swedish massage as well as ethics and business.* Movement classes are required for strength and flexibility of mind and body.

**Campus location: 3551 E. Overland Rd., Meridian 83642. (208) 342-3430**

(Silverstone Business park; Inside Idaho Physical Medicine & Rehabilitation building.)

Trimester B is not a recommended starting point for the massage program. Bodywork 102 builds on Swedish and Bodywork 101. Pathology and Kinesiology build on Anatomy and Physiology. Trimester B classes are only offered January through April each year. The emphasis for this trimester is on *clinical pain management, injury recovery, intermediate body sciences: pathology and kinesiology, keeping of professional records and the creation of a complete business plan in a written form. Students take meditation class in this trimester to promote mental focus.*

Students who choose to begin classes in Trimester B (January) must take Trimester A classes the following September to complete the massage program. This increases program completion from 10 months to 12.
