

# Massage Certification Program

Massage Therapist owned and operated for over 35 years, the Idaho School of Massage Therapy (ISMT) offers a non-accredited Massage program with both a holistic and medical emphasis. We recognize a need and growing market for knowledgeable, skillful graduates who also possess the “trifecta” of attributes for success in massage therapy: professionalism, a business plan and communication skills.

We offer students day and evening classes and a Massage Program that exceeds Idaho’s Massage Therapist License requirements. (See [www.ibol.idaho.gov](http://www.ibol.idaho.gov) for details.) Be advised that Massage Licensing requirements vary by state and we cannot guarantee transfer of credit to any other schools.

Located at the heart of Treasure Valley, in Meridian close to the Eagle Rd. exit, ISMT’s comprehensive curriculum continues to be an ideal balance of clinical and wellness applications from relaxation to rehabilitation. Our school is registered with the Idaho State Board of Education, and taught by experienced, qualified faculty who focus on the skills and competencies necessary for the safe and effective delivery of therapeutic massage and bodywork. The Western coursework builds upon the fundamentals of Swedish techniques, Sport and clinical massage therapy skills with a solid base of sciences while the Eastern coursework (Asian and Reflexology) holistically provide the energetic aspect. The allied modalities of Craniosacral, Lymphatic facilitation, Visceral and Geriatric massage are effective, gentle, complementary therapies for both wellness and treatment models. Fulfill program in this order to minimize completion time:

## 2021-22 Tuition, Cancellation and Attendance Policy

### Tuition Payments and Refunds:

ISMT does not accept any Federal student aid monies. We accept tuition payments on a pay-as-you-go or class-by-class basis. Alternatively, State funds may be available through Job Service or Vocational Rehabilitation and military personnel or their spouses may qualify for funding through the Veteran's Administration, GI benefits; check on your eligibility.

**Tuition fees are not paid up front** or in advance of classes therefore refunds do not apply. Tuition fees do not include books and/or supplies. Student obtains these independently.

### Class tuition payments on a "pay as you go" or class-by class basis, as follows:

- **1/2 and 1/2:** 50% of *tuition is due at the 1/2 and end point* of each class.
- See Day or Evening Class Schedule, "Class Payments" for details.

A student that follows the schedule of classes and payments will complete the program with no outstanding debt to the school in approximately 10 months with a Trimester A start point.

### Cancellation, Withdrawal, or Dropped classes:

A student may "drop" or "withdraw" from a class in writing *before the 1/2 point of class transpires; thus voiding the class, and incurring no tuition.* Withdrawal from a class beyond this point (50% or greater) will incur tuition fees though zero credit hours accrue and is effective on the date and time of receipt of written or emailed official notification, not the date of last class attendance.

- Withdrawals/drops at 0%-49 % of a class: No tuition is owed.
- Withdrawals/drops at 50% - 59% of a class: Tuition is owed for class transpiring up to receipt of written drop notice, calculated at \$16/class-hour.
- Withdrawals/drops at 60% - 89% of a class: Tuition is owed, at \$20/class-hour.

Supply costs are non-refundable. Consider this official notice that certifications and transcripts can and will be held back if tuition and/or fees are owed the school.

**TOTAL Tuition** for classes comprising the 635-hr. Massage Program Certification:  
**All TUITION PAYMENTS total \$ 8,400**

- \$ 100 Application/Registration Fee is, non-refundable,** and not included in tuition. Each student shall obtain their own books, supplies and provide proof of Student insurance (through massage trade associations: AMTA, AMBP, or equivalent at their own expense.) See Admission Requirements. Books and supply costs are not included in the tuition ( See Book and Supply List.)
- Attendance:** Students shall not miss more than 10% of class. Makeup time is available when 60% or more class attended, with your instructor, by appointment. 1 hour of Makeup = 3 hours of classroom time and is available at a cost of \$25/hr. 70% or higher minimum competency for class credit, given upon completion when applicable tuition and/or fees are paid in full.
- "Work-off" a portion of your tuition** doing supervised Student Clinic massages on campus beyond the 110-hour requirement. Some restrictions apply, see Student Clinic Syllabus for detail.
- Transfer Credit may be available** for classes "substantially equivalent." Course transcripts and syllabus required. Business I/Ethics and Student Clinic hours are non-transferrable. We cannot guarantee transfer of credit to/from other schools. Inquire about course "Challenge": a fee of \$25/course applies. Courses may be taken individually with **completion of the admission process** in its entirety. See Admission Requirements. **Contact Phone: (208) 342-3430, also (208) 343-1847; email: [ismtclinic@gmail.com](mailto:ismtclinic@gmail.com)** .
- Students Enroll/Register in person at the specified date/time for each trimester.** See page 1.
